

Better informed means better care

Dorset Care Record brings all your health details together so medical and social care staff **can give you the best possible care**

Login to the DCR from your current system

For more information please visit:
news.dorsetcouncil.gov.uk/dcr-staff-area

1. Open a person's record in your current system & click on the DCR icon/tab/link. You will then see a confirmation that the login to the DCR is completing.

A screenshot of the EMIS Web Health Care System interface. The browser window title is 'EMIS Web Health Care System - BRIDGE STREET SURGERY - 236'. The address bar shows 'Workflow Manager' and 'XXTESTPATIENT-TG...'. The top navigation bar includes 'Summary', 'Consultations', 'Medication', 'Problems', 'Investigations', 'Care History', 'Diary', 'Documents', 'Referrals', 'Workflow Task', and 'Interweave YHCR'. Below the navigation bar, there are several status bars: 'Report Management - 38', 'SCR - 15', 'Referrals - 4 (4)', 'Documents - 5', 'Medicine Management - 161 (157)', 'Lab Reports - 25 (2)', 'Tasks - 64 (11)', and 'Mail Inbox - 104 (97)'. A yellow banner displays three messages: 'New priority Workflow Items received - Medicine Management', 'All resources (clinical templates, document templates, protocols and concepts) have downloaded and are up to date.', and 'There are outstanding Summary Care Records waiting to be sent, click to send.' Below the banner, a patient summary bar shows 'Inactive' status, 'XXTESTPATIENT-TGCZ, Do Not Use (Mrs)' as the patient name, 'Born 09-Dec-1986 (37y)', 'Gender Female', 'NHS No. 999 054 5553', and 'Usual GP MAHROOF, Abdur-Rauff (Dr)'. The main content area features the 'INTERWEAVE CONNECTING CARE' logo on the left. On the right, a dark blue button labeled 'Completing Login' is shown with a white cursor arrow pointing to it. Below the button is a white rectangular area containing a grey circular loading spinner.

The information from a person's record will be displayed in a series of panels, with the data pulled through from the data providers.

Report Management - 38

SCB - 15

Referrals - 4 (4)

Documents - 5

Medicine Management - 161 (157)

Lab Reports - 25 (2)
