Where there are lots of community units, there are scrolling arrows at the side of the units. Scroll left and right to navigate around the units.

A screenshot of the 'Summary' page in the Dorset Care Record system. The page has a dark blue header with a home icon and the word 'Summary'. To the right of the header are two buttons: 'Flags' with a red flag icon and 'Allergies and Adverse Reactions' with a red diamond icon. Below the header is a horizontal navigation bar with four tabs: 'SUMMARY', 'GP DATA', 'SYSTMONE NON-GP' (which is highlighted in blue), and 'TIMELINE'. Below this bar is a horizontal scrollable list of four items: '< SLT COUNTY NOTTSHC', 'COMMUNITY FIRST RESPONSE AND THERAPY NOTTSHC', 'SPECIALIST CONTINENCE NOTTSHC', and 'URGENT C RESPONS >'. The first and last items have arrows pointing left and right respectively, indicating they are part of a scrollable set. A red rectangle highlights this scrollable list. Below the scrollable list is a section titled 'Medical Record Summary' with a sub-tab 'Medical Record Summary' on the left.
