Horizontal and vertical timelines in the DCR

The data retrieved for a person can be viewed on a timeline:

- The Timeline tab allows you to set an appropriate timeframe, see a cluster of events and drill down into details
- The Feed tab is a vertical chronological feed of data that can be constrained to a certain date range and/or filtered by data type.

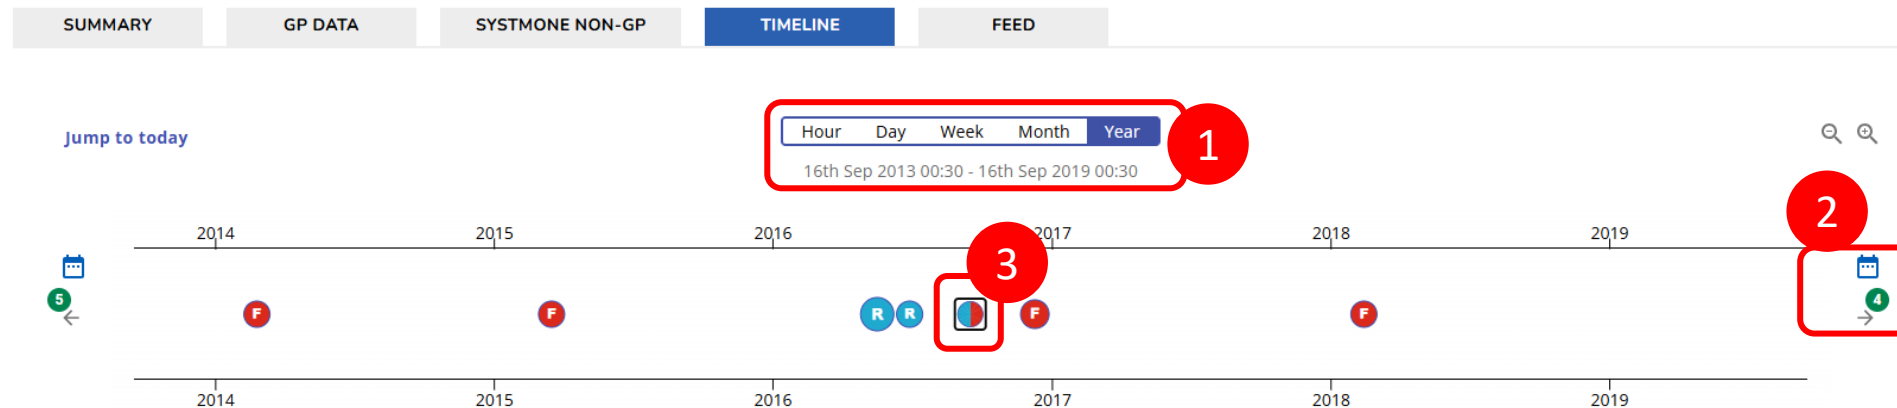

The screenshot displays the Dorset Care Record (DCR) interface for a patient named EDITESTPATIENT, Thirtythree (Mr). The interface includes a navigation sidebar on the left with options like Summary, Person Details, Flags, Allergies and Adverse Reactions, Appointments, Diagnostic Reports, Documents, Encounters, and Healthcare Referrals. The main content area shows the patient's summary, including birth date (05-Jan-1945), gender (Male), NHS number (999 004 2128), and address. Below the summary, there are tabs for SUMMARY, GP DATA, SYSTMONE NON-GP, TIMELINE (highlighted with a green border), and FEED. The TIMELINE tab is active, showing a grid of data cards for various healthcare events. Each card displays the number of records and the time range for which data is available.

Category	Status	Time Range	Records
Flags	0 active		0 records
Allergies and Adverse Reactions	0 active		0 records
Complex Medications	0 in last 12 months		0 records
Documents	0 in last 3 months		6 records
Appointments	0 most recent		0 records
Encounters	0 in last 3 months, in 4 groups		4 records
Healthcare Referrals	0 in last 3 months		0 records
Diagnostic Reports	0 in last 3 months		5 records

1. Timeline tab – horizontal timeline

The **Timeline tab** provides a horizontal view of the data entries/records from all the panels. This display enables you to see where these records occurred relative to one another and may allow you to identify patterns.

The records show as **coloured circles**, where the colour corresponds to the colours used for the panels. The circle also includes initial letters which represent the panel for extra clarity. If more than one record has been added at the same time, the circles will show as a **bigger circle** for records from the same category or as a **cluster of multiple colours** for records from different categories.

1 To see the records within a specific period, select your period e.g. hour, day, week, month or year.

2 If there are **no** records to display, change the selection or use the arrows either side of the timeline to view earlier or later records. The **green numbered circles** above the arrows show the number of records that fall outside the selected period.

3 Hover over or click on a circle/cluster to see the records it contains and see these listed underneath the timeline.

2 selected resources

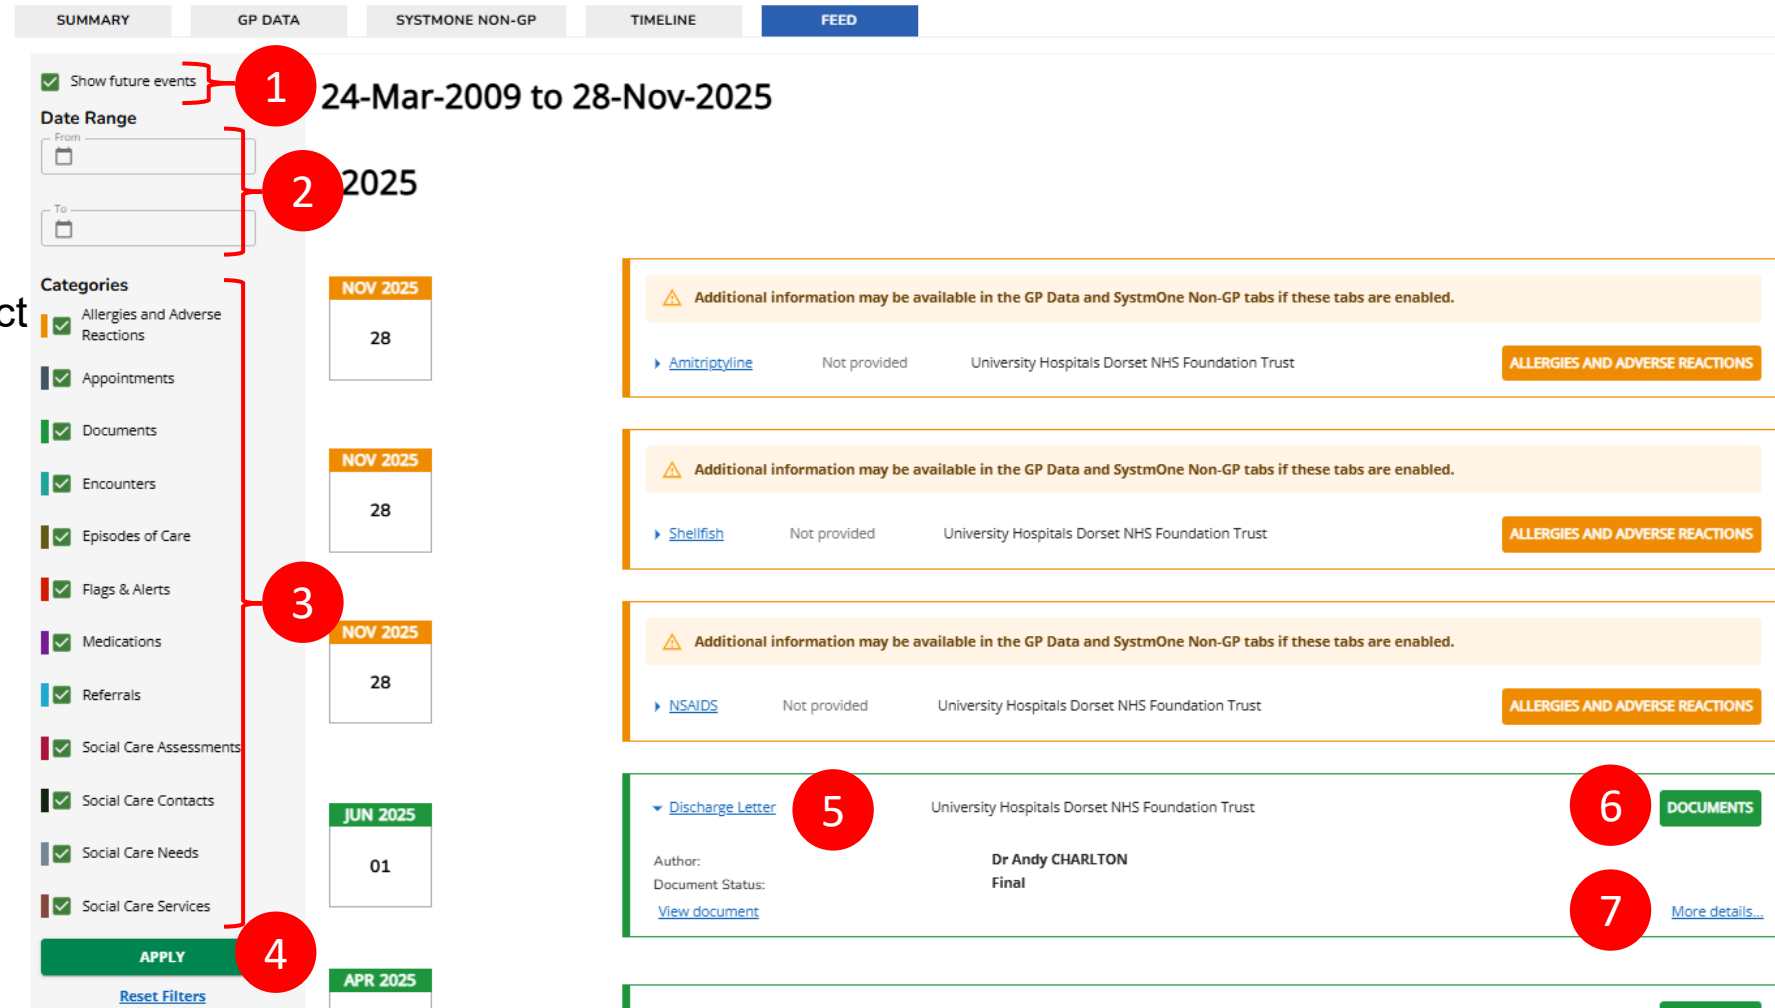

Healthcare Referral			
Date Authored	Status	Type	Source of Data
01-Sep-2016 01:00	Completed	Rheumatology	Dorset County Hospital NHS Foundation Trust

Flag		
Period	Code	Sources
Start 30-Sep-2016 00:00	Parkinsons Disease	Dorset County Hospital NHS Foundation Trust

2. Feed tab – vertical timeline

The **Feed tab** provides a vertical chronological view of the data entries/records from all the panels. This display can be constrained to a certain date range, and/or filtered by category.

- 1 **'Show future events'** allows you to see upcoming appointments/records.
- 2 Select a **Date Range**.
- 3 Filter results - Deselect **Categories** not of interest. Select all again with **Reset Filters**.
- 4 Click **Apply** and see the results appear on the right.
- 5 Click the **blue arrow and description** for a summary of the entry.
- 6 Click on the **coloured category rectangle** to navigate to the panel table view.
- 7 Click **'More details'** for a pop-up of the panel lightbox view.

The screenshot shows the 'FEED' tab selected in the top navigation bar. The interface is divided into a left sidebar for filters and a main content area for the feed.

- Callout 1:** Points to the 'Show future events' checkbox, which is checked.
- Callout 2:** Points to the 'Date Range' section, showing a date range from 24-Mar-2009 to 28-Nov-2025.
- Callout 3:** Points to the 'Categories' list on the left sidebar. The categories include Allergies and Adverse Reactions, Appointments, Documents, Encounters, Episodes of Care, Flags & Alerts, Medications, Referrals, Social Care Assessments, Social Care Contacts, Social Care Needs, and Social Care Services. A red line indicates that all categories are selected.
- Callout 4:** Points to the 'APPLY' button at the bottom of the sidebar.
- Callout 5:** Points to a blue arrow and the text 'Discharge Letter' in the main feed area.
- Callout 6:** Points to a green rectangular category label 'DOCUMENTS' on the right side of the feed entry.
- Callout 7:** Points to a blue link 'More details...' at the bottom right of the feed entry.

The main feed area displays a list of entries. The first three entries are under the 'ALLERGIES AND ADVERSE REACTIONS' category and are marked as 'Not provided'. The fourth entry is under the 'DOCUMENTS' category and is a 'Discharge Letter' by Dr Andy CHARLTON, with a status of 'Final'.
