

Better informed means better care

Dorset Care Record brings all your health details together so medical and social care staff **can give you the best possible care**

NHS Dorset - How to access the DCR from your current system or the DCR portal

Dorset Care Record

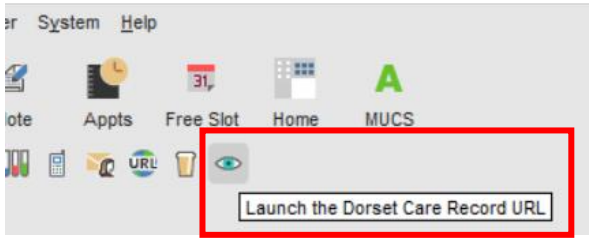

For more information please visit:
news.dorsetcouncil.gov.uk/dcr-staff-area

1. Via the DCR portal without needing a username and password. Each DCR data provider Partner organisation has its own links to the portal for a Care Professional and Clerical Admin role.

- NHS Dorset Care Professional
- NHS Dorset Clerical Admin

2. Via SystmOne GP

From the patient record, click on the eye icon to launch the DCR in your web browser.

If you cannot see the eye icon on your toolbar, please ask system admin to add the icon.

Access further **support and information** from

Disclaimer

The screenshots in this training guide are taken from a test system and as such may vary slightly to the live DCR system.

Screenshots in this training guide do not contain any real patient data.

Data provided by source systems is read-only in DCR. There are various level of restrictions and sensitivities being applied within the Partner's systems, and the DCR respects and displays the data as provided by the Partners.

The information contained within the NHS Dorset system (the Spine) is the overriding system for updating demographics.
