

# Map of Dorset By John Speed -M.162-2. Children`s activity sheet

Look at the map created by John Speed in 1660. Can you spot:

- A castle
- A ship flying the English flag
- A figure blowing a horn
- A part of Somersetshire completely surrounded by Dorset
- 4 churches on the map of Dorchester

There are several coats of arms on this map. Some are the arms of a person and others are the arms of a place. Can you design your own coat of arms and a coat of arms for the place where you live?

In the sea there are three strange sea creatures. Can you design your own sea monster?

Three sailing ships are pictured on this map. If you were in one of the ships where would you want to sail to?
