Help your Community

You could change someone's life...

- * **Check in on neighbours.** Do they need help? Share the information on this leaflet, offer to pick up shopping, or just stop and have a chat.
- * **Join a local community support group** in your area. Details of these groups can be found at www.helpandkindness.co.uk
- * **Ask your local foodbank** if they need any help. They are very busy in the winter months.
- * **Share this leaflet** with friends, colleagues and on Facebook/Social Media. You never know who might see it and need it.
- * **Sign up to become a local volunteer** with Volunteer Centre Dorset. Any time you can give will make a difference. Call 01305 269214 or email info@volunteeringdorset.org.uk to get involved.
